Who We Are

Established in 1988, Reynolds & Reynolds Facility Services, Inc. is a leader in the commercial and industrial cleaning industry with a key focus on customer satisfaction. A special emphasis is placed on our employees as we strive to offer a safe, consistent, and stimulating work environment.

At Reynolds & Reynolds, we strive to fulfill our customers' needs in janitorial services and facilities management. As a leader in the industry for over two decades, we service large companies, local government, healthcare facilities, airports, K-12 schools, colleges, and universities.

"Every day we challenge ourselves to think of new ways to please our customers."

- DeMarco Reynolds, President/CEO

"Please know that in the almost 15 years that I have been with Simon, this has been one of the most smoothest transitions to date I have been involved with; never mind the continual overnight improvements to every aspect of the center's physical plant assets now under your watchful eye. I am more than impressed and delighted as to how things are moving forward. ... Keep it up and THANKS!"

- Peter Santasiero, Operations Director, Simon Property Group (Opry Mills Mall)
